

Dear Family, Friends, and Area Businesses,

I would like to take a minute of your time to introduce myself and tell you a little bit about an amazing place I just began my Non-Profit career. My name is Rachel Bartlett, and I am the new Executive Director at Camp Fish Tales, Pinconning MI.

MISSION STATEMENT:

Camp Fish Tales provides a unique and exciting outdoor learning experience where individuals with special needs interact and develop skills that enhance their health, abilities, independence and quality of life.

We helped just under 160 campers last year, and for 2018 our goal is 200! We have plans of expansion soon, and have upcoming fundraisers to help make this all possible. We also provide scholarships, so we never have to turn a camper away. To provide these services, we count on our partners in the community to help us achieve our goals.

If you are receiving this letter, it is because someone who cares about Camp Fish Tales has recommended I send this information to you. We have a phenomenal board, 15 upstanding members of the community, that donate their time to help people and achieve Camp Fish Tale's mission.

I hope you will consider partnering with us! I have included a Sponsorship Form and if choosing to do so, I will mail our 501c3 information and receipt for your tax deduction purposes.

I thank you for taking the time to read, and encourage you to stop out for a tour or visit our website at campfishtailes.org. You can also visit us on Facebook and sign up to receive our quarterly newsletters. If you have any questions or need more information, please call me anytime,

Rachel Bartlett
