

Dear Family, Friends, and Area Businesses,

Another year has come and gone and we have so much to be thankful for at camp! We provided an outdoor experience to 240 campers in 2021! Our campers, who are of all ages and all disabilities, are looking forward to creating more memories at camp this summer.

Have you ever seen a child sit on the sidelines of a playground due to it not being accessible? We are hoping you will partner with us to secure our goal to create an accessible playground at camp. Our wish is to have new rubber matting which will replace the current mulch. Right now, the mulch base makes it near to impossible for those that use personal mobility devices to get to and from equipment on their own. The mulch also creates a safety issue. We pride ourselves in providing our campers with as much independence as possible and that is what this rubber matting would do for camp!

Thank you for taking the time to read this and your consideration. There is an annual sponsorship form included. We are a 501c(3) and your donation is tax deductible. If you donated at the end of the year and wish to apply this towards a sponsorship, please let us know! We would love to have you stop out for a tour or visit our website at www.campfishtailes.org. You can also visit us on Facebook and Instagram. If you have any questions or need more information, please call me anytime.
