

Dear Family, Friends, and Area Businesses,

Exciting news!! YOU helped us accomplish our dream of an all-accessible camp garden and greenhouse! Our ribbon cutting will take place at our open house, May 13th from 12-2. MORE exciting news, this past summer came with record numbers! We provided an outdoor experience to 397 campers in 2023! Our campers, who are of all ages and all disabilities, are looking forward to creating more memories at camp this summer.

Quick story: In the summer I tend to prop open the office door to listen to the campers while they are doing activities. This summer, I had the joy of hearing a camper, who has minimal verbal skills, sing (Yes, SING!) during our weekly talent show. He had attended many weeklong camps last summer and during each one we noticed his love & comfort for camp grow more and more. What we do matters so much!

We are hoping you will partner with us to create more accessible programming for camp. Our wish for 2024 is to create a STEM area (arts included) with activities that all campers can access and enjoy.

Thank you for taking the time to read this and your consideration. There is an annual sponsorship form included. We are a 501c(3) and your donation is tax deductible.
