Camp Fish tales is a non-profit, 501C-3 organization. Any contribution is tax deductible.

How Can I Help?

Camp Scholarships

Camp Fish Tales' goal is to enable as many individuals as possible to enjoy the magic and excitement of attending camp. Scholarship funds are only made possible by the generosity of individuals, families, businesses, and organizations. Thank you for your donation!

Endowment Fund

Give a gift that is good FOREVER. Camp Fish Tales designated endowment fund with the Bay Area Community Foundation (bayfoundation.org) benefits camp long-term from the interest that accrues.

Your dollars at work!

Recent contributions to our nonprofit have been used to provide: the expansion of our adaptive playground, a beach front shed, and an all accessible greenhouse!

CAMP FISH TALES
CATCH THE SPIRIT
RELEASE THE POTENTIAL

Camp Fish Tales

A barrier-free wheelchair accessible camp

CFT is a 501C-3 Organization

Camp Fish Tales brings lasting joy to people with disabilities and their families by providing a unique and adaptive outdoor experience that fosters friendships and encourages independence.

About us

Camp Fish Tales is a 100% barrier free camp for people of all ages and all disabilities located on 67 acres in northern Bay County.

There are three large cabins for staff and campers. Camp also includes a lodge, medical building, covered chapel, sensory cabin, several pavilions, hammock village, beachfront, archery and rock wall.

The camp has an all accessible nature trail and a nearly four acre pond to fish and boat.

The camp facilities are also for rent. The accommodations are ideal for wedding, corporate gatherings, graduations, showers, meetings, seminars, retreats, school classes and more!

Camp Goals

The goal of Camp Fish Tales is to promote an atmosphere for individuals with disabilities to meet and make new friends while participating in growth activities.

CFT provides campers with the opportunity to be away from home in a safe place for an extended period of time, thus allowing respite for caregivers.

Campers become aware of the needs of others within their peer groups. Campers are encouraged to participate in as many activities as possible.
